# THE GENTLEMAN DRIVER’S MAGAZINES

- ✓ MILES is a high-end lifestyle supplement, accompanying Moniteur Automobile and AutoGids three times a year, with a circulation of **50 000 copies** (FR+NL), some distributed selectively. While masculine in focus, MILES is also appreciated by women. Our Gentleman Driver’s Magazine prioritizes quality content: dense texts, photography, design, paper, and printing.
- ✓ Produced by an experienced team, MILES offers lifestyle content in line with the interests of mechanical enthusiasts: Watches, Design, Travel, Fashion, Technology, Fitness, Gastronomy, and Culture. An extensive international agenda highlights global events, and profiles of sports, art, and cultural personalities complement its content. The magazine also features relevant products and services available in the market.
- ✓ While the multimedia newsletter version closely follows current events, the print format – carefully presented – is ideal for extended reading sessions. MILES is also available online via our website, Facebook, and Instagram.
